

ECEN 758 Data Mining and Analysis

Assignment 2: due 11:59pm, Monday 9/30/2019

Review Chapters 8.1, 8.2.1, 8.3 of Zaki and Meira, then answer Exercises 8.5, Q1(a) and Q4. In Q4 compute the support, confidence and interest for each rule that you find. If you wish to include any diagrams in your answers you may draw by hand, scan and embed.

Review the PCY algorithm in Section 6.3.1 of the book by Ullman et. al., then do Exercise 6.3.1 on page 224
